by a Friend of Medjugorje

Through these 39 years of Our Lady's apparitions in Medjugorje, no one has understood, let alone promoted, a profound Medjugorje prophecy for the future. Only through the mission of Caritas have you heard of it, through the years. In the book of Daniel, Nebuchadnezzar had a powerful dream; a vision. Though he saw, he did not understand what it meant. Nebuchadnezzar called upon Daniel to interpret what he experienced in his vision.

In the beginning days of Medjugorje, Our Lady showed a very important window into the future. Those who were given the grace to "look through the window," could not, however, tell why or for what purpose the huge vision was given. Even to this most recent date, April 2020, its meaning has not been

understood. Why? God does not give prophetic signs for all to understand until they are fulfilled. Even the prophets do not always fully understand their inspirations, spiritual experiences etc. In the Poem of the Man-God¹, Jesus was asked by His apostles, “*Did Joachim and Anne² know Mary was the chosen Virgin?*” Jesus said: “*They did not know.*” But Jesus said that Joachim intuited that little Mary was “*Immaculate.*” Jesus, explaining further, said:

“Joachim spoke, inspired by God, like the prophets. He did not understand the supernatural truth that the spirit spoke through his lips.” (Jesus continued) “Joachim was a prophet. His soul repeated like an echo what God said to his soul.”³

To come to an understanding of God’s inspirations takes daily conversion, prayer, fasting, cognition gained through life experiences, being just and humble, and for our times, not only being immersed in all of Our Lady’s messages, but most importantly, being obedient to what She is saying, both in small and large things.

Many have the possibility of being a prophet, but God can only use those who open their hearts, pray and fast, and have no self-interest outside of God’s plans. It is to these souls that God gives His illuminations and only then one can grasp a vision and define it. The prophets were persecuted and, eventually, many were put to death. There are those who are in fear of losing their positions of being “in the circle.” This is why many are not given understanding of Medjugorje’s broadness, its breadth and depth. Medjugorje has no boundaries. Why would God give understanding of the mysteries of Medjugorje, of that which is to be revealed, to those who would allow themselves to be silenced out

of fear of a loss of reputation, position or even one's life? Authorities in Medjugorje have suppressed and persecuted those who dare to step out and speak about what they, "the Authorities," have censored.

Fr. Petar was chosen by Medjugorje visionary, Mirjana, to read and reveal the first three Secrets, once Our Lady indicates to Mirjana the time of their release has come. Pause and think about it for a moment. Do you think he is just easily going to read them to the world? There is no possibility that he will be able to read the Secrets without the devil working through the authority who is over Fr. Petar, in order to stop him from reading them. You can take that "common sense" statement "prophetically." Our Lady said:

December 2, 2007

"...God's Word which is the light of salvation and the light of common sense."

Jesus said certain demons can only be cast away – blocked out of the way— by fasting. Does it take that much effort to read a Secret? If you are given a Secret to read, you just read it. It is that simple. But, if that Secret is going to prove the apparitions of the Queen of Peace of Medjugorje to the whole world, and thereby, change the world, the devil, with all of hell, will use all his power to stop the Secrets from being read. How? By the devil acting through anyone who has the ability or authority to stop Fr. Petar.

Through Church history, we know what superiors have done with many of the saints who were given important missions to fulfill. Often missions were then hampered, oppressed, and in some cases, even destroyed by their

superiors or other authorities. Knowing this, Fr. Petar will not just read the Secret(s) without monumental satanic interference against him. If you think he will be able to, then why is the Virgin Mary requiring Fr. Petar and Mirjana to fast on bread and water for 7 days⁴ before he is to read a simple statement that will happen three days after he reads it? Remember what Jesus said to the apostles after they were beaten up by demons, when the apostles tried to drive the demons away? Jesus told the apostles these demons require fasting and prayer to be driven away. Fr. Petar will have to fast to stand up against and drive away the hoards of demons, who will do everything, even murder, to stop the Secrets from being read. Murder? You think not? If so, you do not understand Medjugorje. Murder is not only the killing of the body, but of one's reputation. Scripture relays that to destroy one's reputation is to murder. But even physical murder is a desire of the devil. Our Lady's fresh words of March 25, 2020 confirm this point.

“...satan is reigning and wants to destroy your lives and the earth on which you walk...”

Yes, these are strong statements concerning Medjugorje, and what is written is meant as stated. Medjugorje is not a fragile, feel good playground. It is a battleground between Heaven and hell, between Jesus and satan. In the physical realm, it is a battle between good vs. evil—with the people of the earth inbetween. Our Lady said:

January 28, 1987

“...Whenever I come to you my Son comes with me, but so does satan...”

Medjugorje has its Pharisees, its Sadducees, its corruptors, its liars, its power grabbers and those with personal agendas. But it also has its meek, its humble, its saints, the salt of the earth people, those with no self-interest who are wholly committed to Our Lady's Immaculate Heart, sacrificing their lives for the salvation of mankind. There are those good villagers who have been loyal to Our Lady for 39 years.

But even with the latter, good group, almost no one is willing to step out of line against the first group mentioned. It is the same mentality that people possessed two thousand years ago in Jerusalem. There were many who thought and believed it was they who were the saviors of their people in Jerusalem, and not the Christ. Yes, Our Lady and Medjugorje have many of the same negative dynamics that Jesus had against Him. This shouldn't surprise anyone. These souls are very cunning, giving an appearance that they are for Our Lady, but in reality they are for themselves, their agenda, their plans, and their preservation. They go way back. They say they see, but they are blind. They have not and do not take Our Lady's messages seriously, and even reject them as inconsequential, therefore, nonessential.

Our Lady said on June 25, 1991:

“...There are ‘many’ people who do not desire to understand my messages and to accept with seriousness what I am saying. But you I therefore call and ask that by your lives and your daily living you witness my presence...”

We must take all the messages Our Lady has given these 39 years seriously, (as of 2020). In addition, even the apparitions in which Our Lady gave no message are important. Marija, many times has said after an apparition, when Our Lady gives no message, that Our Lady's presence 'is' the message—"my presence"—as Our Lady called it in the above message ("witness 'my presence'"). Also significant is every action of Our Lady, no matter how insignificant it may seem. All of Our Lady's actions are to be accepted with seriousness. You must combine together all the messages, all Our Lady's actions, Her apparitions, what She has shown us, and implement everything, now, in your lives. If you do not take the messages and Our Lady's presence seriously, you will not be ready. It is explicitly clear that Our Lady demands of us, Her apostles, to take every word of Hers and turn to them very seriously to be ready for the future. Ready for what in the future? **A new way of life in a new time, a great awakening, a great time of evangelization sweeping across the whole world.** When? When the Secrets begin and the post Secrets period. However, one can have now what the "great time" will deliver. It is available now, if you act with seriousness to Her call.

When the time comes for Fr. Petar to read the Secrets, the whole Medjugorje world not only should, but must fast with Fr. Petar for seven days for the grace for the Secrets to be read publicly, without delay and that they be read in their fullness. Our Lady has relayed to us that even if God has decided that an intention is going to be granted, the more the prayer attached to it, greater will be the graces He will give.

Our Lady chose this mission of Caritas and grew it to where it is today. From the beginning of Caritas, and throughout our history, we have crossed the line repeatedly, without hesitation, refusing to be silent amidst consequences of threats and attacks, in order to stay true to Our Lady. This is why you do not read or hear out of other Medjugorje promoters what you read and hear from these writings. They, the others, stay in line, not to be maligned and to remain in favor, and in the 'circle,' as referred to earlier. They do not want to be crushed for not being in alignment with what, "the Medjugorje" authorities have created, which is different from "the Medjugorje" Our Lady created. A religious order did not call us or choose us or you; Our Lady did. Our Lady not only chose us, but Our Lady commissioned us, our mission—and—our way of life, when She gave a direct message to us on May 31, 1995:

“...Get as many hearts as you can close to my heart and lead them to God, to a way of salvation.”

We have been built and continue to build on the foundation of Our Lady's messages and apparitions, and She has guided us to a **Way of Life in a New Time**. What is that life? A life of grace and of great trials. You can rest assured, if something is from and formed by Our Lady, you will not escape being persecuted, envied, and despised. While you build upon Our Lady's way, there are those who will build on their own foundation, on themselves. Many, to be in the circle of Medjugorje, place themselves under the powers that be, to be more accepted and strengthened in a higher position. What is our position? We put ourselves under everyone. We are at the bottom of the Medjugorje world, holding no position in the hierarchy of the Medjugorje structure. We were not chosen by anyone to be in the structure of authority of Medjugorje. We are

outcasts, as Jesus was. But because we were chosen by Our Lady, our authority flows from Her. It is She, the Queen, who established what we do, and what we will do in the future.

Being chosen for what we do, does not put us above anyone else, rather we recognize who we are and what we are. What are we at Caritas? We testify that we are sinners, with faults, unworthy and generally no better than worms . But there is one thing we are not. We are not suppressors and restricters of Our Lady's apparitions, Our Lady's messages, and what Our Lady is asking us to do. We have put Our Lady's messages into the fabric of our lives. We are living Our Lady's way of life, in a new time that has not yet arrived. We live **im**perfectly, a perfect way of life that Our Lady has given us. What does that make us? Dirt! People of dirt. That is what the great prophecy, the Corona Vision, revealed in the beginning of Medjugorje!

The Agrarian Vs. The Urbanization of Life

The wonderful Corona vision, this writing began with, has been published by Caritas before, and I have spoken of it many times throughout the years. Now, in the time of the Coronavirus, the meaning of the Corona Vision on Cross Mountain is defined further. Again, those who saw the vision did not know what it meant. It is explained in the book I wrote, [It Ain't Gonna Happen](#), released in 2010, which follows.

The Huge Vision, its Meaning And How it Applies to All Today

In Medjugorje, in the beginning days, people saw a strange occurrence on Cross Mountain. Some even saw it from afar. One of those who witnessed it was the visionary Marija's brother, Andrija. He said that he and others saw the whole of the sky over Cross Mountain, covered in what looked like a white veil, except one could see through it. Through the veil, they could see a small church with four or five houses around it. The four or five houses were surrounded with green fields. Then there was another church with four or five houses around it, surrounded by green fields. And then another and another repeat of the scene. They were scattered across the sky, descending together, not one by one—floating down slowly, not in order, but all separated by open space. When Andrija was asked how many, he said hundreds of churches were surrounded the same way by a few houses. How long did the vision last? Fifteen minutes. Did they just stay in the sky? Andrija repeated, "No, the little villages, churches were descending to the earth (on Cross Mountain) very slowly." Through the years, Andrija was asked about this several times, and what he thought it meant. He would say, "It meant what I saw."

Andrija was not the only one questioned about the vision. I spoke with another villager who collaborated the same scene. Andrija had no understanding as to its meaning except, *“It meant what I saw.”* This huge vision covering the sky, the entire length of Cross Mountain, descending on the land, is how we are to be living now. By your choice or not by your choice, you will have to adapt to a way of life radically different from the modern way the world lives now. **Our future life will be the agrarian life vs. the urbanization of life.** Circumstances will decide which will be dominant. How? We have in our midst a foretelling event that easily leads us to reflect and discern that we are not living right. Look at what the coronavirus has resulted in: people breaking down into small groups, being more homebound, paralleling the vision of the churches surrounded by only a few houses. This is a prophetic window of how the world will live in the future.

One year ago, no one could have imagined in any way possible, how the world could so quickly be separated into little groups. It is amazing that in only a few months, we have been confronted with the breaking up of the population into small groups. This has compelled many not only to rethink how they live, but now influenced by a greater understanding of Our Lady’s prophetic vision, is giving an impetus and opportunity for everyone to begin implementing a way of life in a new time! “...Everything around you is passing and everything is falling apart, only the glory of God remains...”

There are those who think the godless world built on the sandy foundation of modernism, consumerism, and materialism is going to stand against the wind of the Woman of Revelation who has said Her sign is the wind Our Lady said:

February 15, 1984

“The wind is my sign. I will come in the wind. When the wind blows, know that I am with you...When it is cold, you come to church...I am with you in the wind. Do not be afraid.”

Corona in Latin means crown. In reference to Our Lady’s words about the devil, already stated, do you think Our Lady wasn’t aware of those words of March 25, 2020, when She said:

“...satan is reigning and wants to destroy your lives...”

Who is reigning, wears a crown. satan is king of the Coronavirus, a virus that has gone viral worldwide. *For those who think the Coronavirus is not of God, you are correct!* Medjugorje visionary, Marija, said the coronavirus is diabolical. Yet, it serves God’s purpose in redirecting the world to be ready for

Our Lady's plans to be fulfilled. One may think, "God would not purposely allow satan to do this, would He?" satan's participation in killing Christ on the Cross, was to satan's own horror, because it led to man's salvation. Likewise, the Coronavirus is a forerunner; you might even say a shadow of the Secrets. The consequential results in regards to the Coronavirus, gives a sneak preview to what the consequential results of the Secrets will achieve, except on a much more massive scale. Our experience in these days have changed life across the world, a present prototype being endured as to what the Secrets will do. Just as the Secrets will do, the Coronavirus is causing everything to fall apart. Again, Our Lady's words: "**Everything around you is passing and everything is falling apart.**"

- Look at the Economy—it is endanger of falling apart.
- Look at the many non-essential and some essential jobs—falling apart.
- Look at the evil government school systems, teaching perverted doctrines including many private schools—falling apart.
- Look at the god of sports—falling apart.
- Look at the culture that has family members going in every different direction—falling apart.

And you can still list many more 'falling apart' statements.

Yes, after this present Coronavirus trial, many things will resurrect, but this is only a preview of what is to come, in the real time and post time of the Secrets. When the real events of the Secrets begin to happen, and the great

falling apart begins to unfold, there will not be a resurrection of what did not glorify God. Gone, Gone, Gone.

Who could have foreseen that the life of man, throughout the whole world, could change direction practically overnight by a tiny virus, and how prophetic it was that it was named Corona! But this is often how satan works and he wrestles to wear the crown, to “king” over you. Our Lady has warned us of this:

October 2, 1992

“...Dear children, satan, in this time, wishes to act through small, small things, dear children. Therefore pray! In this time, satan is strong and he desires to change your direction[†]; also my plan of peace, he wishes to destroy.”

*† Our Lady said, the Croatian word, **skrenuti**, which not only means to change your direction, but to divert your attention toward something else.*

If he can create so much chaos through, as Our Lady said, “small, small things,” what will happen when something comes much bigger than a ‘small, small’ virus? This tiny virus disrupted life over the entire earth? What will happen when the Secret(s) are announced—a shock of the senses, to change man’s direction?

With the Secrets, many things will pass and fall apart, leaving in their trail, a purified culture of people, whose way of life will glorify God, under the Holy Corona of the Queen, the Queen of Peace! Purification is a causation to change the way one lives. The Coronavirus has brought about the conditions for people to be homebound.

Families are more together.

People are not sitting in endless hours of traffic every day.

Families are eating dinner together again.

People are more often in contact with their families and friends.

Neighbors are becoming more connected with each other.

People are living life more in the moment.

Large sectors of the work force are returning to the home.

Children are being homeschooled by their parents.

Children are happier, receiving their parent's undivided attention—which is pleasing to God.

Our Lady said on October 24, 1988:

**“...pray for the young of the whole world,
for the parents of the whole world so they
know how to educate their children and
how to lead them in life with good advice.
Pray, dear children; the situation of the
young is difficult...”**

While society is still sated in modernism, it is a step towards bringing families together, where life is focused on family again, the foundation for all other society's structures.

The coronavirus has caused more reflection on changing one's future. Our Lady said on January 25, 1997:

“...reflect about your future...”

The coronavirus will be looked upon in the future as being a moment that caused a minimum impact upon our lives, especially compared to the impact the Secrets will make. Yet, the changes when the coronavirus disrupted life on earth is an example of what is coming and is causing billions of people to think about reordering their lives, especially for those of us who are aware of the coming of the Secrets and the monumental, epic, massive reordered changes of life on earth. Our Lady said:

June 25, 2019

**“...I am preparing you for the new time...
that the Holy Spirit may work through you
and renew the face of the earth...even
though satan wants war and hatred...”**

Our Lady is here to reorder the world that it may have peace.

Reorder to what?

The mammoth descending Corona Vision on Cross Mountain is a picture of an agrarian world of very small communities. This is what the Community of Caritas is—a church surrounded by a few houses. No, the *Tabernacle of Our Lady's Messages* is not a church, but it has three private chapels, and the life of the community revolves around it. We live “church” together, being in communion together, in community, while still faithful to all the tenets of our faith. And what we have done, others can do, even build their own private chapel.

While the nations', and much of the world's, school systems are down, our children have not missed a day of school during the Coronavirus! Our one-room schoolhouse, where we educate our children is still open. We are still working, full time, propagating Our Lady's messages for the world, while immersed in an agrarian life. Our community is together all day, every day, with our children, and we work, pray, carrying our crosses and joys as well. We grow our food together, play together, often eat together, work the mission together, and on and on. We are not social distancing ourselves from each other because we are a close-knit group on our own grounds. Our Lady, through Her visions, supported by Her messages grew us, structured us, gave authority, brought us from the spiritual realm of the vision on Cross Mountain to a manifestation of a way of life into the physical realm of the Corona Vision. Our Lady called us to be a reality of the Corona Vision that crowned Cross Mountain, to witness to others how to live a Way of Life in a New Time. Our Lady said:

“...help me realize my plans...”

Our Lady’s plans work. We have witnessed it. All of our Medjugorje projects are moving forward, despite the loss of donations because of so many donors who are under hardship and having some crisis repairs on our own grounds. Other than that, our lives are normal. We are doing our mailings across the world. Our press has not slowed down, but rather increased. Regarding our lives, hardly anything has changed.

Do you think that the Corona Vision on Cross Mountain is in your future? Do you have a choice? Yes, for the first question. No, for the second one. Now is the time to band together in small prayer groups, and evolve through prayer into communities. Ivan said:

“The prayer groups by us and in the world are the only answer to the call of the Holy Spirit. It will only be possible through prayer to save modern mankind from crime and sin.”

Caritas began as a prayer group, with one family who witnessed for Our Lady, and grew into a community. For those who follow in this path, it will not be easy. But the beauty of the life is what God will bring about, through 4 basic messages, not 5, not 3. Our Lady said:

June 6, 1988

“...I ask you to renew in yourselves the messages I have given to you. These are messages of prayer, peace, fasting, and

**penance...All of the other messages come
from these four basic ones, but also live the
other ones...”**

The four basic⁵ messages of which all the other messages come from!

1. Prayer
2. Peace
3. Fasting
4. Penance

We have many people, who have told us when everything falls apart, they know where they are going. One person told us they have their camper filled to the ceiling with canned goods and food, ready to come to Caritas. Others have told us the same. But we do not exist to become a city. The site of Caritas is a place of conversion. Tens of thousands have converted on this holy ground. It is a proven place of conversion. Hundreds of thousands that will grow into the millions across the world have converted, many simply because of knowing what Our Lady has established here. Our Lady said:

July 25, 1999

**“...I desire for you to comprehend that I
want to realize here, not only a place of
prayer but also a meeting of hearts...”**

As you have already read, we exist to be a reality of the prophetic Corona Vision given in 1981—one private ‘church,’ that is the center of our life, the *Tabernacle of Our Lady’s Messages*, surrounded by a few houses. You don’t have to build a large private working chapel as ours. Ours is large because its purpose is to serve you and to propagate Our Lady’s way to the entire world. All you need is to take the messages seriously, birthing your little private chapel, with a few houses around it. Our Lady began in our home, with many apparitions over a span of 32 years, with many messages and things Our Lady did. Marija said on September 21, 2014, with about 80 people or so present in the home, just after Our Lady appeared:

*“I remember the first time when we were here(1988). Many people came with many flowers. After so many people came to pray, overflowing from the Bedroom into the living room. The reality is that this house became...**this house become a chapel**, as Our Lady appeared in the living room, the sleeping room, Bedroom and other rooms.”*

The home gave birth to the *Tabernacle of Our Lady’s Messages*. We are not here in the valley of Caritas to save anyone from future events, rather we are to witness and teach you to begin to manifest in the physical realm what was manifested in the spiritual realm through a vision that crowned Cross Mountain. It is this that will save you from future events, when everything begins to fall apart. This is not said as a doom and gloom destructive prediction event, rather a renewing of the world to bring us to peace and to love the Creator who is Father and Protector. But, much is up to us in this time of grace. If you do not do what you need to do in the time of grace, you create a great problem. Our Lady said:

March 25, 1985

**“...I call on you - accept me, dear children,
that it might go well with you...”**

November 2, 2006

“...Your time is a short time...”

But it is never too late. Our Lady says:

September 25, 2018

“...I am calling you - it is not late...”

Living through this episode of the Coronavirus pandemic, may make you afraid and tempted to panic as you read this writing. Instead, channel your whole life's effort into living the messages and act. Pray. Fast. Be calm. Be deliberate. Change what you can now. Prayer and fasting are important, coupled with tithing. Many skip over tithing. You give and God will give to you. Our whole mission is one of giving. Our Lady said:

December 25, 1992

**“...your life does not belong to you, but is a
gift with which you must bring joy to others
and lead them to Eternal Life...”**

The community is a witness to you to show you how to become a small community village, how to reorder your lives, and how to change your direction. It is grounded in an agrarian life.

Our Lady said on January 2, 2000:

“...I, your Mother, am begging my children that they help me to realize what the Father has sent me for...”

Our Lady is here to ‘re’order the whole world, nation by nation; state by state; county by county; down to the small hamlets. Is this your future little village? The Corona vision descending from the sky, crowning Cross Mountain, is a prefigurement of Medjugorje, before Medjugorje and its hamlets existed. In other words, the Corona vision speaks of God’s thought, represented in the vision across the sky, not yet a reality on earth. The Corona vision began with churches surrounded by 4, 5 or so houses descending from the sky. As mentioned already, there were hundreds of them. As they settled across Cross Mountain, something like a white veil was in front of the hamlets of which one could see through. Each little hamlet was a distance apart from each other and was surrounded by green spaces of pasture or fields.

While this vision speaks of what Medjugorje was like at the beginning of the apparitions, with the five small separate hamlets, it speaks more of what the future world will look like, due to physical changes that will take place in the world caused by the release of the secrets. The Corona vision is a crowning of a way of life in a new time; a return to an agrarian life, close to God; a life God has ordained for man from the beginning. In the book of Genesis, Adam was given words from God that he would no longer have the Garden that was given to him

by God to live in and to eat from. After the fall, Adam would be bound to the soil, a continued atonement, to always remind man that he depends upon God for his survival. Man was given a primary occupation, the only occupation ordained by God for man, with the words of Genesis:

“You shall eat the plants of the field. In the sweat of your brow you shall eat bread till you return to the ground.” Genesis 3:18-19

Throughout history, every time man abandons his tie to the soil and goes towards urbanization, he becomes less dependent on God and by doing so, man distances himself from God. This is where we are today. We are in an epic time, a time in which man has created a life so dependent on man himself, and so independent from God, that man thinks of himself as god, even though he would not think that he thinks that way. Our Lady said:

October 1981

“...the West has made civilization progress, but without God, as if they were their own creators.”

Not only has Our Lady said man thinks he is his own creator, but Medjugorje visionary, Mirjana, confirms how far away man has strayed from what God ordained for us. Mirjana tells us⁶ why the secrets are coming:

“There never was an age such as this one, never before was God honored and respected less than now, never before have so few prayed to Him; everything seems to be more important than

God. This is the reason why she cries so much. The number of unbelievers is becoming greater and greater. As they endeavor for a better life, to such people, God Himself is superfluous and dispensable.”

The secrets will correct and redirect man back to the path towards God. When man binds himself to the soil, God is not dispensable. Everything, every day, depends on God. Rain falls and seeds open and sprout by God. Sun shines and creates temperatures for the seeds to grow. There are thousands of things that are dependent upon God in partnering with man to “subdue the earth.” Urbanization separates man from God. That is why it is said that Abel was agrarian, a shepherd the keeper of sheep, while Cain, after killing Abel, was cursed from the ground and left to create a city.

“Then Cain went away from the presence of the Lord...[Cain] built a city.” Genesis 4:16-17

We are in a time when man must humble himself, like Abel, or be humbled, like Cain. No wealth, no technology, no scientists, no inventions will be able to stop the deluge that is coming; just as in Noah’s day, it could not be stopped. The difference today is the deluge that is going to rain down, is a deluge of humility, crushing the towers of Babel we have built, and if you have not built one, we all have supported them for years. We helped to build them through our using them and our money helping to support their system. The whole world is stuck in the system. We, at Caritas, have separated ourselves, as much as possible, and still transition away from the direction of the world. It is not an easy path to walk, but the fruit that comes from taking this path is a better life

and a deeper connection to God. How can you get there more quickly? It was stated in a past writing, *“Man is never so close to God as when his knees are in the dirt.”*

All that is written here is not to convey that man will have no other occupations outside of the agrarian life. Rather, what he is first to be occupied with is to be close to the soil to provide for his food, even if more hours are spent in a trade or other occupation. Nor is this saying that you will be providing all your food yourself. One can reason that in living in common as the early Church did, life with all its needs is shared with each other, within a small community working together for the good for all.

St. Joseph was a carpenter but he lived an agrarian life, drawing food from the soil as all others did in Nazareth. My grandfather, who we called Papa John, came to America from Italy in 1913 with nothing to his name. He went to work in the coal mines, but his primary support for a growing family of 10 was a garden, a milk cow, and always a couple of pigs. One may question, “This is not practical. I am a doctor.” While we grandchildren called this small, but very strong man, “Papa John,” most everyone else knew him and called him by another name. He was called “Doctor John.” He was well-known for curing and healing many people with the knowledge of herbs and medicine, knowledge that he brought with him to America from Italy. He was known to bring people back to health when nothing else worked. Also, additionally, he had a wealth of knowledge that he gained through working the soil and being raised in an agrarian life. His wife, Maddalena, whom we called Mamalene, taught me only one lesson that I can remember. When I was 8 or 9 years old, she took a pitch fork I was trying to dig with and showed me how to use it to break up the hard soil. There is an art to it and her agrarian knowledge helped me to do more digging with less effort, a principle I learned to apply to other areas of life.

The agrarian life not only feeds your body and promotes health, supporting your life, it also feeds the soul. Between the two, feeding the body and feeding the soul, the latter is primary. The Coronavirus shut down public attendance to Mass across the whole entire world! Contemplate if someone announced six months ago that six months from that moment, you and the whole world would not be going to Mass. You would have responded, by calling the person crazy or laughed it off. If the person predicted that you, with the whole world, would not be attending Mass even on Easter Sunday or taking Communion, and the world would be broadly shut down, again, you would have rejected the possibility of that happening. Yet, the impossible happened. What will you do now, knowing how quickly life can change in a blink? For decades a persistent call has kept telling you that you must change the direction of your life. Have you taken that call seriously? Has your current situation, with the Coronavirus, awakened you to the fact that you could have changed your life, but you didn't want to? The call, for 39 years, literally warned you. What of your future? Will you find yourself and your family in circumstances you could have avoided if you had listened to the call and acted on it?

August 25, 2013

“...I do not desire for you, dear children, to have to repent for everything that you could have done but did not want to...”

Have you realized, suddenly, how suddenly life can change? What you were blind to before, do you now see? If you do not change your life after this Coronavirus episode, what will be your disposition when the secrets happen? Our Lady tells you what your disposition will be:

August 25, 1997

**“...now you do not comprehend this grace,
but soon a time will come when you will
lament for these messages...”**

You will lament not just for the messages, but because you did not put the messages into life by changing the way you lived.

Jesus came to the Eternal City of Jerusalem to save mankind. Our Lady came to an Eternal Place between the mountains. Medjugorje is eternal. Medjugorje is a New Jerusalem. Two Thousand (2000) years ago, Jerusalem served as Jesus' amphitheater for the salvation of man. Medjugorje serves Our Lady as an amphitheater to save mankind, calling man back to Her Son. Medjugorje is eternal in the sense that billions in Heaven will be telling each other stories for eternity that “my conversion” was through Our Lady, via Medjugorje. Our Lady said:

March 25, 1985

**“...in a special way I have chosen this
parish, one more dear to me than the
others, in which I have gladly remained
when the Almighty sent me...”**

As stated at the beginning, Medjugorje has no boundaries. It transcends the spiritual realm to the physical realm, intertwining both realms as one. No spot on the face of the earth has such a unique sacred touch with a porthole

where Heaven can touch man and where man can touch Heaven. Our Lady Herself wedded Caritas' ground as a place of conversion intertwining the spiritual and the physical with Medjugorje as one spot.

“...be apostles of the revelation...”

Everyone underestimates Medjugorje, including I, who write this. I testify that Medjugorje is bigger than anyone can understand, including the visionaries, and it will be prayerfully studied, pondered and meditated upon, realizing more, over time, its mysteries, until the end of time.

Revelation Chapter 21:2

***“And I saw the Holy City, the New
Jerusalem, coming down out of Heaven
from God.”***

Who is a Friend of Medjugorje?

Special Note: There have been **204 apparitions** of Our Lady, through Medjugorje visionary, Marija, at Caritas. **148 apparitions** have been in the Bedroom of Apparitions, **1 apparition** when the Infant Jesus in the arms of Our Lady appeared in the loft of the home on Christmas Day with Our Lady, **6 apparitions** in the Living Room of the home of our founder and his wife, **45 apparitions** have been in the Field of Apparitions, **2 apparitions** have been at

the Cross on Penitentiary Mountain, and **1 apparition** was in the writing office of a Friend of Medjugorje in the *Tabernacle of Our Lady's Message*. There were accompanied with many messages from Our Lady. On several occasions, Our Lady appeared two times in one day. On other occasions, She came with angels. The apparitions took place throughout the years from November 1988 to the most recent ones in October 2019.

Footnotes:

1. The Church on April 17, 1993, clearly stated that the faithful could read the writing of Maria Valtorta's The Poem of the Man-God, but the distribution of the writings must include the following statement:
"The 'visions' and 'dictations' referred to in the work, The Poem of the Man-God, are simply the literary forms used by the author to narrate in her own way the life of Jesus. They cannot be considered supernatural in origin." - See more here...
2. Joachim and Anne were the Blessed Virgin Mary's parents.
3. Poem of the Man-God Vol. 2, by Maria Valtora, p. 288
4. Fr. Petar is to read the parchment the Virgin Mary gave directly to Mirjana with the Secrets written on it. Fr. Petar will receive it 10 days before the Secret happens. He is to fast 7 days. Then 3 days before the Secret happens, Fr. Petar will announce to the public the Secrets, of what will happen before it happens.
5. Some add the Mass with the 4 basic messages, thus saying there are the 5 basic messages. It is not so. First, the basic foundation had to be implemented to receive the grace of the Mass to be lived properly, through the 4 basic messages. Our Lady's wisdom was to first prepare Her children to have the basics so as to understand the greatest prayer in the universe, the Holy Mass. **"...messages of prayer, peace, fasting and penance...All of the other messages come from these four basic ones..."**
6. In a statement in response to a question posed by Fr. Petar in 1985.

When I first read about the 7 day fast for Mirjana and Fr. Petar, I hoped that we could all join in with them. It looks like we may be able to fast with them and help them be strong. Thank you God our Father, God our Savior Jesus and Mary our Mother for this privilege. This Coronavirus has been a blessing in disguise - so many commitments have been canceled, I find myself praying so much more and so many more times during my day. May God open so many eyes, ears and hearts during this life without busyness.

I have been reading and following Our Ladys words from the beginning. Please pray for all of us that hearts will be touched by Grace and begin to believe that Our Mother loves us so much and is trying to save us from certain physical and especially spiritual ruin. Thank you for guiding us and leading the way all of these years!

This statement from this reading "You can rest assured, if something is from and formed by Our Lady, you will not escape being persecuted, envied, and despised." I feel that not many realize how active satan is on our world especially when it comes to Medjugorje. People are quick to attack the negatives but sure do know how to ignore the positive. I know a Friend of Medjugorje has talked and wrote about it before but our cellphones and technology are things we really need to distance our selves from no matter how hard it is and it is hard. Thank for this writing and Our Lady of Medjugorje pray for us and watch over us.

"For you who fear My Name the sun of justice will rise with its healing rays!" [Malachi 3:20] "Turn the hearts of fathers to their children and the hearts of children to their fathers, least I come and strike the land with utter destruction." [Malachi 3:24]

Karen, you are one of many women in the same type of situation. We can tell you what we have heard a Friend of Medjugorje repeat so many times through the years. Pray for God to guide your husband. Live love in every way. Live your state in life, as a wife, to perfection. And storm Heaven with prayers to get your husband here to Caritas for a visit. Our Lady will do the rest.

Thank you so much for this clear, concise, beautiful summary of what you have been saying for decades. Others need to hear it now. We did what Our Lady asked and humbly work at conversion every day, all day. AND still, with Medjugorje knowledge, Daily Mass (before now), Rosary, fasting and penance, STILL we need

so much help. Thank you and we pray for you all every day. Your Wisconsin Field Angels (ps it is snowing here today 4/14/2020 -luckily we love it!)

What shall I do being married to a man who will only believe the first 7 messages of Medjugorje because that is what the Church approves. He doesnt believe the rest. He came to Medjugorje with me (my 2nd, his first time) to protect me from the evil he thought was there. He makes fun of me when I want to buy silver as he has much faith in stocks, even when I warn him that is not true wealth and can disappear overnight. How can I convince him to make the changes we need to make if he doesnt believe Our Lady has been coming for 39 years? I must add that he was a daily Mass attendee before the virus hit so he does believe in God. And wears a scapular but says we are not required to believe in Medjugorje. Please help me here!
